EXPLORE THE BIBLE

**Six weekly daytime or evening
seminars that help you
explore the Bible.**

**Its history, meaning
and significance for today**

**Completely
FREE**

What is it about?

If you have never read the Bible in any meaningful way or find it difficult to get to grips with it, then this seminar is for you.

Six concise and informative sessions are delivered in a friendly and comfortable environment.

The seminar will help you gain a better overview of the Bible, what it contains and how to read and understand it easier.

The course aims to equip you with the skills required to understand scriptural teaching for yourself and benefit from a new appreciation of the Bible.

Whether you are already familiar with the Bible or are new to reading it, this seminar will provide you with plenty of information and, hopefully, the desire to begin reading more effectively.

7 reasons to attend

- Learn and develop skills which enable you to read the Bible with more understanding than ever before.
- No obligation. No one will attempt to "convert" or "save" you.
- Free. You will never be asked for money, to purchase materials or to make donations of any kind
- Make your Bible study more productive. You will understand more and know where to look to keep it moving at an enjoyable pace.
- If you claim to believe in God, surely you would want to understand for yourself His purpose for mankind as revealed in the Bible.
- Enjoy time with others learning about God's word in a friendly and relaxed environment.
- Leave at any time. If you ever find the programme "not for me", you are free to leave with no strings attached.
- Plus... everyone attending receives free materials including a ring binder of class outlines to keep your own notes. The handouts will also allow you to review material at your own pace between classes.

Frequently asked questions

Q. Will I be asked to be "saved" or "join" the Christadelphians at the end of the seminars?

A. No! You will not be pressured during or at the completion of the classes. Our hope is that the classes will encourage you to draw your own conclusions about God and His plan.

These classes will equip you with necessary tools to make your own decisions about what you have learned.

Q. Why are you doing this?

A. The Bible is scarcely read and often not understood in today's fast paced society. We firmly believe it is up to date and relevant today.

Our faith and belief in God makes us want to share this "good news" with everyone.

Q. What if everyone there knows more than I do?

A. The classes are run in such a way as to make everyone feel comfortable. No-one is ever put "on the spot". Teaching sessions alternate between assuming some scriptural knowledge and assuming no knowledge of the scriptures.

Q. Who will be paying for the seminars?

A. All expenses are being paid for by the Christadelphians at the-church-in-a-house. The course and the material provided for you are free.
